APPD is excited to announce that the call for applications to APPD Leadership in Educational Academic Development (APPD LEAD) is now open. Application information, instructions and online forms can be found on [APPLY2LEAD](#).

Are you involved in medical education leadership and want to advance your educational development to improve yourself and your residency or fellowship program? APPD LEAD can help you meet those goals.

APPD LEAD is an approximately nine-month educational program that provides outstanding training for educators aspiring to develop the knowledge and skills needed to advance leadership skills in medical education. The program features:

- Three educational conferences
- Curriculum focusing on organizational leadership, competency-based curriculum development, faculty development, residency and fellowship program administration and scholarship and career development
- Nationally recognized [faculty](#) with significant experience in program leadership and medical education
- Peer group activities and support
- A mentored educational project
- Certificate given at the completion of all program-required elements

The application process is web-based and requests:

- Applicant contact information
- Description of educational role(s)
- Personal Statement addressing career goals in medical education and how participation in APPD LEAD could help meet those goals

- Statement of commitment to participate actively and complete the program
- Curriculum vitae
- Statement of Support from Chair of department
- Letter of recommendation from a more senior individual involved in medical education at your institution
- Recent photograph

Application timetable
