#### 8) [Memorial Fund for Husband of Shilpa Patel, PD at University of Hawaii](#)

We are sad to share the news that Shilpa Patel's husband, Daniel Mindich, died recently while swimming in the Waikiki Rough Water Challenge. Shilpa is the Pediatric Residency Program Director at the University of Hawaii.

Dan was an extraordinary and beloved teacher. He and Shilpa are both Vassar grads and veterans of the Peace Corps. Dan was a beloved teacher at a high school in Vermont while Shilpa was a medical student and resident at UVM. They moved to Hawaii where he was recruited to the faculty at Punahou School, and where Shilpa began her career as a hospitalist. They spent four years at Stanford while Dan earned his PhD in education, returning to Punahou three years ago. Shilpa and Dan have three wonderful children, Satya, Asha and Vida.

In order for us to make a difference in an educational area that was important to Dan, people may donate by check to the Patel Mindich Education Fund at Kapi'olani Children's Hospital, 1319 Punahou Street, Honolulu, Hawaii 96826, 808-535-7100

To make an online donation, visit the hospital's donation page at [www.kapiolanigift.org](http://www.kapiolanigift.org). From the main page, click on the 'Give Now' box and it will take you to the Gift Form. In the Gift Designation, the drop down box has Patel Mindich Education Fund as an option. Thank you.
