- 1) [APPD LEAD – Call for Council Candidates](#)

The APPD is pleased to announce a call for new faculty members to help direct APPD LEAD. New faculty members will join the APPD LEAD Council which oversees LEAD, a nationally recognized program in which pediatric GME directors engage and learn from seasoned pediatric educators. Council members are responsible for developing, implementing and evaluating the APPD LEAD program, as well as choosing participants.

If you are interested in becoming a candidate for a position on the Council, please see the criteria and details of the selection process on the APPD LEAD Council on-line application site: <https://www.appd.org/leadc/begin.cfm> .

All materials must be submitted **by October 19, 2018**.

Current APPD LEAD Council: Front Row (l to r), Su-Ting Li, MD, MPH, Richard Mink, MD, MACM, Rebecca Swan, MD, Back Row (l to r), Richard Shugerman, MD, Hilary Hafel, MD, MHPE, Marsha Anderson, MD, Linda Waggoner-Fountain, MD, MEd, Bob Vinci, MD

2) **APPD 2018 Fall Meeting – October 11-12 in Philadelphia!**

Please consider attending, or encourage a colleague to attend, the APPD Fall Meeting, Thursday, October 11 and Friday, October 12 in Philadelphia! Programming has been tailored to the needs and interests of each member of the program team.

Those new at their jobs or needing a refresher will benefit from the special Thursday morning session: **Program Organization 101**. This will be followed by “**Community Building**,” time set aside for Associate Program Directors, Coordinators (both residency and fellowship), Fellowship Program Directors, and Residency Program Directors to meet separately for valuable sharing, networking and learning together.

You won’t want to miss these two “Skill Building” sessions, scheduled for everyone:

Skill Building: Creating Capacity for Diversity, Social Justice and Inclusion in Your Program (Thursday)

Led by Karla Au Yeung, Michelle Barnes, Michelle Brooks, Brian Lurie, Sydney Primis, Patricia Poitevien

In this interactive workshop, we will engage participants in experiential learning about the impacts of diversity and social justice. We will discuss identity and the dynamics of power and privilege and we will demonstrate how to use an “inclusion lens” to develop and revise practices, policies and services within your program. Importantly, we will discuss concrete ways to engage trainees in lessons about social justice. Ultimately, we cannot simply teach about social justice and diversity and inclusion; we must advance an organizational culture – within our training programs, our departments and our national organizations - founded on justice and inclusion.

Skill Building: Leadership (Friday)

Led by Meredith Bone, Michelle Brooks, Pamela Carpenter, Erika Friebling, Kim Gifford, Erin Giudice, Charlene Larson Rotandi, Allison McBride, Meg McNamara

Participants will join a group of seasoned coordinators, directors, associate directors, and fellowship directors in activities, discussion, and advice to address some of the major leadership challenges for new leaders, including: managing your responsibilities (especially the unwritten ones), preparing for the

unexpected, managing your time/work-flow, and utilizing resources/supports within your institution and APPD.

After the Thursday evening **Networking Reception**, everyone is invited to hear **Dr. Richard Shugerman (APPD LEAD Council Member and Vice Chair of Faculty Development at Seattle Children's)** who will bring the **Keynote Address** during dinner. His topic is "Leadership in Medical Education: Lessons from the Hospital, the Heart and Home."

On Friday, the new and improved "Table to Able" session (so popular at the Spring Meeting!) has been added to the schedule, as well as "Table Talks" for coordinators.

And we have Wellness Activities planned each morning for early risers to get moving!!

We excitedly invite all GME leaders to join us!

Please see the [Preliminary Program](#) for complete meeting details.

3) ***NEW*Share Warehouse Request Discussion Group**

Have you been looking for a document or tool at your program and can't find it? Have you searched on the APPD Share Warehouse and didn't see it? Have you been wishing that you knew who to contact for help?

Welcome to the [Share Warehouse Request Discussion Board!](#)

Our intention is to assist APPD Members in sharing items, tools, policies, and more through the Share Warehouse.

We will accomplish this in 2 ways:

1. [Share Warehouse Request Discussion Board](#) will be a place to request submissions to the [APPD Share Warehouse](#) - say you are looking for examples of alumni surveys, but don't find what you're looking for on the Share Warehouse. Now you can post a new thread on the Share Warehouse Request Discussion Board and ask other APPD members to share their examples!
2. Share Warehouse Team Members will regularly request submissions via the Discussion Board - For example, a timely post in the spring requesting Intern Orientation materials to be submitted to the Share Warehouse.

And while we encourage members to reply to individual posts within the discussion board, please remember to also submit your items directly to the Share Warehouse:

Thanks!

4) **CoPS Delayed Fellowship Start Date Information**

Since 2013, the Council of Pediatric Subspecialties (CoPS) has been working to reduce trainee stress and anxiety as residents transition to fellowship by delaying the fellowship start date. In 2015, CoPS published its recommendations which include: 1) beginning with the 2017 appointment year, pediatric subspecialty fellowships should start no earlier than July 7 and 2) orientation should not be scheduled before July 5. To determine fellowship program compliance and to gauge fellow experience with the delayed start date, CoPS, in conjunction with the American Board of Pediatrics, surveyed fellowship program directors and incoming fellows in October-December 2017. Data from these surveys were presented at the APPD 2018 Annual Spring Meeting as a poster which is available [here](#). The CoPS Action Team working on this issue has also created a [FAQ](#) about the data.

8) Online Member Searches

Have you returned home from an APPD Meeting and wanted to get in touch with a colleague you met there, but can't remember their last name or where they're located...but their first name was definitely Dusty!

Did you know that you can search for them online on the [APPD Member Directory](#)? Search by name (*NEW* - you may now search by first name only!), state, or region, and/or you may pull up the entire roster from each member program. If they've uploaded a photo, they may be even easier to find. (Each APPD member should take a few minutes to add that photo to their Member Profile in the Member's Only section of the website!)

Please email info@appd.org to let us know if you have questions or suggestions for making this search feature even better!

9) Breaking News from Affiliated Organizations
