Now in its second year, the ABMS Visiting Scholar program is seeking applicants for the 2015-2016 academic year. This is a one-year program that is intended to provide early career physicians and scientists exposure to the fields of professional assessment and education, quality improvement and regulatory policy. Visiting Scholars will be provided \$12,500 to support a project that is completed locally. This is paired with 3 in-person meetings at the ABMS in Chicago where Visiting Scholars learn about the national landscape of assessment, education, QI, and policy. This is perfect for residents, fellows, and junior faculty. [https://www.appd.org/pdf/VisitingScholarsBrochure 2015 2016.pdf](https://www.appd.org/pdf/VisitingScholarsBrochure%202015%202016.pdf)
