4) Opportunity to Contribute to Endowment Fund to Honor the Life of Mia Barajaz

Many of us have gotten to know Michele Barajaz, former program director at The Children's Hospital of San Antonio/Baylor College of Medicine. She served as the inaugural program director and was a graduate of the APPD LEAD Program. In 2018, her daughter Mia passed away suddenly.

An endowment in Mia's name has been established, and with the generosity of Jann Harrison and Howard Skillrud, there is the potential to add an additional \$15,000. For every \$2 raised, Jann and Howard will contribute \$1.

This gift will honor Mia's life and will pay tribute to the indelible impact of Dr. Michele Barajaz on the culture of the Pediatric Residency Program at The Children's Hospital of San Antonio. Funds will support an annual resident award in advocacy and pediatric mental health. Priority consideration will be offered to residents whose work is in the area of improving access to pediatric mental health services. APPD members are welcome to contribute to the endowment by going to the website: <http://bit.ly/Mia2019>
