1) [APPD 2018 Fall Meeting – October 11-12 in Philadelphia!](#)

We are so excited to invite you to attend the APPD Fall Meeting, Thursday, October 11 and Friday, October 12 in Philadelphia, Pennsylvania! We are planning an action-packed schedule for you!

As we were re-creating the Spring Meeting, we also re-looked at the Fall Meeting and have designed it to be focused for new members and those who are in new leadership positions within their residency and fellowship programs, to really help people build essential skills to be successful. ***In addition***, as late breaking GME topics arise (past examples: milestones, work hours, etc.), we will focus the meeting on those topics as well.

This year our skill building sessions will be focused on (1) diversity and inclusion and (2) essential leadership skills! There will also be specific programming and community-building for Program Directors, Associate Program Directors, Fellowship Directors and Associate Directors, and Residency and Fellowship Coordinators.

Registration will open this summer. We excitedly invite all GME leaders to join us!

Workshops presented were:

3) [APPD Program Co-Chair for 2019 Annual Meeting Selected](#)

Congratulations to Adam Wolfe, MD, PhD, who was selected by the APPD Board to serve as the Program Co-Chair for the APPD 2019 Annual Meeting (transitioning to Program Chair for 2020 and Past Program Chair for 2021)!

Starting in June, Adam will begin to work closely with Adam Rosenberg, the Program Chair for 2019, and Andie Asnes, the Past Program Chair. His innovative ideas for the future, combined with his experience in educational research and developing other symposia, plus his time served as a reviewer of APPD abstracts, all make him the perfect candidate for this important leadership position.
