Welcome to the 2011 APPD Fall Meeting!

Ann Burke, MD
APPD President

Dear meeting attendee,

Welcome, welcome, welcome! We are extremely glad you're here. Abounding with a comfortable, more personal atmosphere, the APPD Fall Meeting is geared toward new members and returning APPDers who may have an upcoming site visit. It is my hope that all of you new folks will make a point to talk with one of us "returning members"...and vice versa! We have around 120 attendees this year who have never before been to an APPD Meeting! (Look for those blue "First Timer" ribbons.)

As a Program Director for 12 years, I can testify to the welcoming and friendly atmosphere of the APPD. It is a great organization in which to get involved and meet other program leaders. Your relationship with the APPD and its members will assist you in your day-to-day work and academic advancement, **especially if you get involved**. The Fall Meeting is a wonderful place to start! To help with that, we'll be hosting a Networking Reception on Thursday night. Please be sure to attend.

The programming continues to be modified based on feedback from previous years. An emphasis this year will be to have the sessions be more interactive, when possible. Many of the presentations and "handouts" are on the APPD website for your reference.

We hope you have a fruitful and enlightening meeting. Try to meet people, share ideas, provide feedback and, please, stop by and say "hello" to me. My goal for this great meeting is to meet at least forty people!

Most sincerely,
Ann
